

ALPINE ADVENTURERS

Bring the whole family to learn about the natural world that surrounds our beautiful lodge

FUN, EDUCATIONAL & REWARDING

*Teamwork - Hands on activities - Stories
Experimental learning*

COLLECT STAMPS IN YOUR WHITECAP PASSPORT!

*Each day you will explore the natural landscape and complete guided activities. For every activity, your child will be awarded a new stamp in their **Alpine Adventurers Passport!***

On the final evening your child will graduate Whitecap's Alpine Adventurers Academy and their achievements will be celebrated.

WONDER & CURIOSITY

Through the magic of wonder and curiosity we will cover topics such as flora, fauna, backcountry survival, stewardship, animals, geography, science, and art!

Our goal is for your family to learn about the natural world through teamwork, hands on activities, stories, and experimental learning

ADVENTURES...

- *Create a Natural Picture Frame*
- *Animal tracking and identification*
- *Map reading and creating your own!*
- *Learning how to start a fire*
- *Leaving no trace*
- *Create a tiny world for bugs!*
- *Nature story time*
- *Tree and Alpine plant games and art*
- *Biomimicry... what?! Yep, it's cool.*

The ideal age for our program is 6-13yrs

INTRODUCING OUR PROGRAM DIRECTOR

Leah Evans ~ *ACMG hiking guide, professional skier, environmentalist, entrepreneur, coach and much more!* Basically, Leah is an all round RAD lady of the mountains.

"I'm passionate about connecting people with the wild space inside and out. If we know these spaces we'll want to protect them"
